Friends on a Rotten Day: The Astrology of Friendships Hazel Dixon-Cooper

It's about time for *Friends on a Rotten Day*, the first astrology book to focus entirely on friendships. After all, lovers come and go, but our girlfriends sustain, nurture, and protect us from cradle to grave. *Friends on a Rotten Day* explores the supportive, uproarious, and sometimes complex, relationships between girlfriends through an in-depth astrological analysis of each Sun sign. Dixon-Cooper shows readers what makes their friend tick on a soul level, revealing each friend's inner character, friendship style, love style (including what to do or not do if a pal picks a loser), and party style. She offers suggestions on the best gifts to buy your friend, how to calm her down, cheer her up, and return the unconditional support and love that she gives you. Readers will discover why their Gemini buddy changes her mind so often, why the Virgo gal pal sweats the small stuff, why a Scorpio girlfriend sometimes seems distant, and why the Leo chum needs frequent headpats. They'll also learn why a Pisces pal should never be forced to make a snap decision, why a Capricorn girlfriend might seem too serious for her own good, the truth about a Taurus friend's hidden anxieties, the competitive side of an Aries chum, what causes Cancer pal's emotional train wrecks, why the Aquarius buddy has a rebellious side, and why the Sagittarius girlfriend has occasional angry outbursts. "Dixon-Cooper reveals what every astrologer knows but none has dared say. (She) takes us on a seriously humorous ride through the land of truth and consequences. I highly recommend it." (Suzanne White)

Cynthia Gomez:

In this time globalization it is important to someone to acquire information. The information will make professionals understand the condition of the world. The fitness of the world makes the information easier to share. You can find a lot of personal references to get information example: internet, newspaper, book, and soon. You can observe that now, a lot of publisher that print many kinds of book. The book that recommended to you personally is Friends on a Rotten Day: The Astrology of Friendships this reserve consist a lot of the information of the condition of this world now. This book was represented how do the world has grown up. The dialect styles that writer use for explain it is easy to understand. The writer made some investigation when he makes this book. That is why this book acceptable all of you.

Sherry Nicholson:

As a university student exactly feel bored to be able to reading. If their teacher expected them to go to the library as well as to make summary for some book, they are complained. Just tiny students that has reading's soul or real their interest. They just do what the teacher want, like asked to go to the library. They go to at this time there but nothing reading really. Any students feel that studying is not important, boring as well as can't see colorful pictures on there. Yeah, it is to get complicated. Book is very important for you. As we know that on this period of time, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country. Therefore , this Friends on a Rotten Day: The Astrology of Friendships can make

you experience more interested to read.
