Guidelines for Leading Your Congregation 2013-2016 (Set of 26): For Each Ministry of Your Church

The Guidelines' booklets, one for each ministry area, are tools that enable you to help get new lay leaders off to a good start. Each booklet includes the basic "job description" for the leader as well as practical "how-to" information important to implementing ministry effectively. Brief and to the point for the busy, but spirit-led leader, these Guidelines take some of the unknown out of leading these ministry areas. One booklet for each title makes up this set of 26 Guidelines, perfect for making them available to all church members.

The twenty-six Guidelines, one for each ministry area, cover church leadership areas including Church Council and Small Membership Church; the administrative areas of Finance and Trustees; and ministry areas focused on nurture, outreach, and witness including Worship, Evangelism, Stewardship, and Christian Education, age-level ministries, Communications, and more.

The download file of a product is copyrighted just as a print resource is copyrighted. In the case of the Guidelines Set of 26, the purchaser can extract one copy of each booklet for an individual to use. (For example, one copy can be extracted for the chair of the stewardship committee; one for the person responsible for adult ministries; one for the lay leader). Additional copies are purchased separately as needed. Download files for each individual booklet are sold separately, just as print copies of the booklets are sold separately.
