Taking a holistic approach to developmental reading, **CONNECT: COLLEGE READING** is an intermediate level book for reading levels 8-10. **CONNECT** strives to build students' confidence by showing them that many of the skills needed to become stronger readers are skills they already possess and use on a daily basis. Using popular media as a springboard, Dole and Taggart show students how thinking skills used while watching television or movies can easily transfer to reading. **CONNECT**'s comprehensive approach includes extensive vocabulary coverage, critical thinking practice throughout, and textbook readings in every chapter to help students master college reading. The second edition includes a full chapter on inferences, enhanced coverage of main idea, and guides for specialized reading situations such as reading visuals, novels, and a guide to taking tests.
