# Little Dancer (Young Adult Romance)

*Melanie Marks*

**Little Dancer (Young Adult Romance)** Melanie Marks

From the author of *His Kiss*; and *Fall For Me*

I had a “thing” for Faith Turner the first moment I saw her—when I saw her dancing in the abandoned gym. We were only twelve at the time. Now it’s five years later. I still have my thing for her—stronger than ever ... but I’m STILL not sure how she feels about me. Maybe it’s best this way. I tend to hurt girls—they want more than I can give. But the thing is, I want to give Faith everything. She’s my little dancer—my life. She just doesn’t know it.

Who am I? I’m the only guy Faith ever let into her life. I’m her best friend. Well, I was. Now, unfortunately, things have changed.

Summary of the book:

When Faith is stalked by a boy at her new school, a secret admirer comes to her rescue. Only who is the admirer and how does he know so freaking much about her? It’s kind of freaking her out—until she discovers it’s the smokin’ hot guy she’s been secretly craving—her ex-best-friend, the guy she has secretly wanted to kiss since she was twelve. Awesome! Only, is he craving her back ... or what?

This is a standalone novel. It is 70,000 words (300 pages). The ending is not a cliffhanger. No other book needs to be read before this or after. The book is loosely based off Melanie Marks’ short story, also titled “Little Dancer” that was first published a few years ago. One of the storylines is also loosely based off Melanie Marks’ book, *Always Hers*. However, *Always Hers* is a paranormal story and this novel is not.
