Let the sinning begin. The first two volumes in a scandalous series are now available in one book.

Adam and Beth are the golden couple of Haven High. He's the all-American jock, she's blonde perfection, and everyone loves them. Well, almost everyone. Harper has had her eyes on Adam for ages, and Kane wants to get his hands on Beth...but neither can figure out how to make their desires reality.

So they team up with the new girl Kaia. She's hot, she's devilish, and she has the perfect plan to get Harper and Kane exactly what they want. But Kaia wants something, too—and she's willing to do whatever it takes to get it.

When *Lust* and *Envy* combine, drama is never far behind...
