BOOK #1: The Ultimate Survival Manual: The Best Survival Manual That Will Teach You How to Survive a Tsunami

You will learn in this guidebook about all of the different things that you can do when a tsunami is coming, whether you are getting ready ahead of time, what to do when you get stuck there, and what to do when the storm is over. There are many things that you can do ahead of time that will ensure your chances of surviving and if you think them through before the storm hits, you are going to have a much better chance of doing well compared to waiting until the moment.

In this guidebook, you will learn a lot about how to prepare for tsunamis. This information includes:

- How to get prepared ahead of the storm so that you can leave right on time and get somewhere safe.
- How to pay attention to the warning signs of an upcoming tsunami
- What to do when a tsunami hits and suggestions for when you get stuck in the area.
- What to do when the tsunami is over to be safe.

Use this guidebook to have the best chances of survival when the storm hits your area.

BOOK #2: EMP Survival: 10 Dangerous Places You Should Avoid When An EMP Starts

This guidebook is going to present you with the top 10 places you should not be when an EMP attack occurs. Since the country will be off the grid, it is basically not safe to be anywhere that would rely on electricity or has a circuit because they are not going to be working any more. Take for example the first place on our list; being in an airplane. When this attack occurs, you will be stuck in a falling plane with no way to get out; if you are lucky, the pilot might be able to successfully make an emergency landing, but you probably will not be that lucky.

BOOK #3: Prepper's Blueprint: 15 Lessons on How to Save Yourself From Earthquakes

This eBook lays out the lessons you need to learn about protecting yourself and your family from the dangers of earthquakes and offers step by step instructions for overcoming the most common challenges you will face from the after effects of a major earthquake. The eBook also discusses the philosophy of the Prepper Movement and why you should embrace the Prepper's DIY spirit of preparation and planning your response and recovery before disaster strikes as the best way to safeguard your family's survival of a major earthquake.

Here is what you will learn after reading this book:

- What steps to take now to prepare for a major earthquake.
- What supplies you should pack in your emergency supply kit right now.
- How to make your home a safe place to shelter during and after an earthquake.
- How to develop a Communication Plan that the entire family can follow.
- How to safely return home in the aftermath of an earthquake.
- Key steps to take after an earthquake has struck.
