**Does This Book Make My Butt Look Big?: (And Who Cares Anyway, It's My Butt)** Sarah Nilsen  
Let's face it: life is not always fair, but it is funny-if we choose to view it that way. Meet Sarah: at thirty-something, she's openly waging war on those last (ever-present) ten pounds, trying (a little) desperately to retain her young and trendy persona, and doing all she can to avoid a certain inner verdict: "You have become your mother." While celebrating everyday hazards and opportunities, Sarah lifts the veil on her hilarious angst, even as she redefines herself: as wife, parent, business woman, and friend. You'll be nodding along in recognition as these true stories play out. Why not laugh, too? No sense being paralyzed by life's cruel jokes; instead, take them on with a grain of salt and a smile. Sisters, lay claim your destiny and step into your brilliance.
