Fatal Shore Epic of Australias Founding

Robert Hughes

Fatal Shore Epic of Australias Founding Robert Hughes

An extraordinary volume--even a masterpiece--about the early history of Australia that reads like the finest of novels. Hughes captures everything in this complex tableau with narrative finesse that drives the reader ever-deeper into specific facts and greater understanding. He presents compassionate understanding of the plights of colonists--both freemen and convicts--and the Aboriginal peoples they displaced. One of the very best works of history ever written.
