## **Strengthen Your Connection with Your Immortal Soul**

In 2010, popular author Richard Webster had a brush with death. Emerging from that experience, he felt compelled to study and write about the soul—the spiritual and eternal part of each of us.

In his friendly and accessible manner, Webster explores beliefs and customs regarding the soul, past lives, and reincarnation in cultures all over the world. Learn about auras, chakras, lucid dreaming, and the planes of existence. Read true accounts of near-death experiences, past-life memories, and encounters with soul mates.

Discover the Seven Rays—powerful universal energies that have a profound effect on the soul. Many people believe that every person's soul is attuned to a particular ray to help it achieve its purpose in this incarnation. Experience the energy of each ray and use the quizzes, meditations, and exercises included here to determine which ray you are using most, and the life purpose you are here to fulfill.
