His Wife in Every Way

He had promised to protect the beautiful white woman. But a Blackfoot warrior must never raise a hand against his own brothers, even if they mean to harm and disgrace a helpless captive. There was only one thing a man of honor like Night Thunder could do: claim Rebecca Cothorn as his wife.

But One.

From the moment Rebecca stepped into Night Thunder's powerful embrace in full view of his tribe--making his marriage vow true in their eyes--she knew her life would never be the same. How could she travel among his people as his "wife" and share his bed without succumbing to the desire that burned so fiercely in her breast? Night Thunder swore that she would truly be his bride in every way, if only Rebecca would give herself to him freely and without remorse. But could she sacrifice the only life she's ever known--and the future she'd always dreamed of--for a deep, satisfying taste of forbidden passion?
