These newly authorized rites are intended to be a supplement to the burial services in the *Book of Common Prayer*, adding a rich variety of new material from many sources, including prayers for one who has died in military service, for one of unknown faith, for an unbeliever, and for a member of an inter-faith family. All of the major pastoral issues of the *Prayer Book* rites are addressed from the reception of the body to the consecration of the grave and the interment but with a freshness of language in new texts that speak to contemporary sensibilities.
