## **Spies of Mississippi: The True Story of the Spy Network that Tried to Destroy the Civil Rights Movement** Rick Bowers

*The Spies of Mississippi* is a compelling story of how state spies tried to block voting rights for African Americans during the Civil Rights era. This book sheds new light on one of the most momentous periods in American history.

Author Rick Bowers has combed through primary-source materials and interviewed surviving activists named in once-secret files, as well as the writings and oral histories of Mississippi civil rights leaders. Readers get first-hand accounts of how neighbors spied on neighbors, teachers spied on students, ministers spied on church-goers, and spies even spied on spies.

*The Spies of Mississippi* will inspire readers with the stories of the brave citizens who overcame the forces of white supremacy to usher in a new era of hope and freedom—an age that has recently culminated in the election of Barack Obama.
