College Physics: A Strategic Approach Brian Jones, Randall D. Knight Stuart Field

Intended for algebra-based introductory physics courses. Built from the ground up for optimal learning; refined to help students focus on the big picture. Building on the research-proven instructional techniques introduced in Knight's Physics for Scientists and Engineers, College Physics: A Strategic Approach sets a new standard for algebra-based introductory physics-gaining widespread critical acclaim from professors and students alike. The text, supplements, and optional MasteringPhysics(R) work together to help students see and understand the big picture, gain crucial problem-solving skills and confidence, and better prepare for lecture and their future. For the Third Edition, Randy Knight, Brian Jones, and Stuart Field have incorporated student feedback and research to strengthen their focus on student learning, and to apply the best results from educational research and extensive user feedback and metadata. This program presents an unparalleled teaching and learning experience, uniquely effective and integrated. *Personalize learning with optional MasteringPhysics: MasteringPhysics provides students with engaging experiences that coach them through physics with specific wrong-answer feedback, hints, and a wide variety of educationally effective content. *Prepare for lecture: Prepare students for lecture with innovative and engaging media tools, tailored carefully to reinforce the textbook. *Understand the big picture: Enable students to understand the connections between topics, the real-world context, and the overarching themes, skills, and principles of physics using refined and expanded learning tools. *Develop problem-solving skills: Equip students with problem-solving tactics and strategies through expanded guidance and practice in the text and online in MasteringPhysics. *Foster skills for the MCAT: Gear students up for the new MCAT with enhanced life-science and biomedical applications in the text and problems, and increased emphasis on reasoning with real-world situations and data. Note: You are purchasing a standalone product; MasteringPhysics does not come packaged with this content. MasteringPhysics is not a self-paced technology and should only be purchased when required by an instructor.
