It's easy to get discouraged by the headlines. It can often feel as if God has left the building, like we are on our own. We want to believe God's promises to us, and we search for signs of his continuing restoration of the world in which we live. Now, with passion and heart, two leading experts on Christianity and culture cut through the chaos and uncertainty to show readers how God is powerfully active and intensely engaged in fulfilling his promise to restore all things unto himself. Through inspiring real-life stories of justice, mercy, love, and forgiveness in our midst, Smith and Stonestreet present a God who is intimately involved in his creation and using his church to work out the redemption of this world.
