If This World Were Mine: A Novel E. Lynn Harris

Four friends, all graduates of Hampton Institute, keep a collective journal they call "If This World Were Mine," and share their personal diaries each month at a gathering filled with humor, gossip, and affirmation. The four group members are as different as the seasons, yet they all share a love of one another. Yolanda, a media consultant, keeps it going on with a no-nonsense attitude and independence that are balanced by the theatrics of Riley, a former marketing executive whose marriage has reduced her to a "kept woman with kids." Computer engineer Dwight's anger at the world is offset by the compassion of Leland, a gay psychiatrist whose clients make him question why God ever invented sex.

But after five years, the once-strong bonds of friendship are weakening, and the group must handle challenges of work, lost love, and a stranger in their midst. As the group members confront their true feelings toward each other, resentments and long-held secrets surface, and the stability of the group begins to disintegrate. Is their past friendship strong enough to survive the future?

From reader reviews:

Carolyn Fletcher:

This If This World Were Mine: A Novel is great e-book for you because the content and that is full of information for you who always deal with world and have to make decision every minute. This kind of book reveal it info accurately using great manage word or we can state no rambling sentences in it. So if you are read the idea hurriedly you can have whole facts in it. Doesn't mean it only gives you straight forward sentences but tough core information with beautiful delivering sentences. Having If This World Were Mine: A Novel in your hand like obtaining the world in your arm, data in it is not ridiculous 1. We can say that no book that offer you world inside ten or fifteen second right but this book already do that. So , this is good reading book. Hey Mr. and Mrs. hectic do you still doubt that?

David Fulton:

You can spend your free time you just read this book this book. This If This World Were Mine: A Novel is simple bringing you can read it in the area, in the beach, train and soon. If you did not possess much space to bring the printed book, you can buy the e-book. It is make you simpler to read it. You can save the actual book in your smart phone. And so there are a lot of benefits that you will get when one buys this book.

John Yang:

Many people spending their time period by playing outside having friends, fun activity together with family or just watching TV the entire day. You can have new activity to pay your whole day by looking at a book. Ugh, do you consider reading a book will surely hard because you have to accept the book everywhere? It all right you can have the e-book, taking everywhere you want in your Mobile phone. Like If This World Were Mine: A Novel which is having the e-book version. So , why not try out this book? Let's observe.

Lee Villegas:

What is your hobby? Have you heard this question when you got scholars? We believe that that question was given by teacher for their students. Many kinds of hobby, Everybody has different hobby. And you know that little person like reading or as looking at become their hobby. You need to understand that reading is very important as well as book as to be the issue. Book is important thing to provide you knowledge, except your teacher or lecturer. You see good news or update in relation to something by book. A substantial number of sorts of books that can you take to be your object. One of them are these claims If This World Were Mine: A Novel.
