Stink: Solar System Superhero Megan McDonald

Save the planet . . . Pluto! Stink Moody, wise-cracking champion of everything small, is on a new mission: to reinstate his favorite celestial orb. (Ages 5-8)

Look! Up in the sky! Is it a falling leaf ?
A speck of dust? A speeding mosquito?
No, it's Stink Moody, Solar System Superhero!

When Stink learns that Pluto has flunked out of the Milky Way for being too shrimpy, he feels like he might just explode with a Big Bang. Stink has no choice but to take a stand for the sake of little planets (and little people) everywhere. Will he be smart enough to defeat a panel of big-shot scientists? Will he be strong enough to beat know-it-all Riley Rottenberger and her "Team KPB"? Will he succeed in rescuing Pluto from a fate worse than being swallowed by a black hole? Start the countdown for a funny (and very informative) out-of-this-world adventure--and prepare to have your universe rocked!

From reader reviews:

Andrew Schulz:

With other case, little folks like to read book Stink: Solar System Superhero. You can choose the best book if you'd prefer reading a book. So long as we know about how is important any book Stink: Solar System Superhero. You can add understanding and of course you can around the world by a book. Absolutely right, since from book you can realize everything! From your country till foreign or abroad you may be known. About simple factor until wonderful thing it is possible to know that. In this era, we can open a book or searching by internet device. It is called e-book. You may use it when you feel bored to go to the library. Let's read.

Clare Lucas:

As people who live in the modest era should be upgrade about what going on or info even knowledge to make these people keep up with the era which can be always change and progress. Some of you maybe will probably update themselves by examining books. It is a good choice for yourself but the problems coming to you actually is you don't know which one you should start with. This Stink: Solar System Superhero is our recommendation to cause you to keep up with the world. Why, because this book serves what you want and wish in this era.

Richard Ault:

A lot of guide has printed but it differs. You can get it by world wide web on social media. You can choose the very best book for you, science, comic, novel, or whatever through searching from it. It is named of book Stink: Solar System Superhero. You can contribute your knowledge by it. Without causing the printed book, it could add your knowledge and make an individual happier to read. It is most significant that, you must aware about book. It can bring you from one destination for a other place.

Robert Wolfe:

Reading a guide make you to get more knowledge from that. You can take knowledge and information coming from a book. Book is written or printed or outlined from each source which filled update of news. With this modern era like at this point, many ways to get information are available for anyone. From media social like newspaper, magazines, science e-book, encyclopedia, reference book, book and comic. You can add your understanding by that book. Do you want to spend your spare time to spread out your book? Or just seeking the Stink: Solar System Superhero when you necessary it?
