"A riot among the humans. A siege at the port. A kingdom on the brink of civil war while still facing the threat of an attack from outside forces at any moment."

Since the implosion at The Oasis and Derek's stay at Hawk Headquarters, The Shade has fallen into a state of utter chaos. To make matters worse, the citizens of Derek's kingdom have become suspicious of his loyalties and accuse him of siding with the enemy... At a time when Derek desperately needs full cooperation from his subjects, they wish to put their own King on trial.

Meanwhile, Sofia is being held hostage by the hunters. They are determined to rid her of her infatuation with the vampire. She submits to the strict routine and training they impose on her, but the only fuel that keeps her going is the thought of reuniting with Derek - something Reuben is fighting with every fiber of his being to ensure will never happen.

...Until one day, out of the blue, Reuben appears to have a change of heart and comes to Sofia with a proposal; a solution that she never dreamed possible. A solution that would fulfil her heart's deepest desires and secure her and Derek's future together, forever.

But can she really trust this man who is so renowned for his hatred of vampires? Does she even have a choice?

Note: Derek and Sofia's story completes in Book 7 of the series: A Break of Day, and the characters embark on entirely new adventures from Book 8.
