Changing Horizons: Explorations of Feminist Interpretation

Elisabeth Schussler Fiorenza

Changing Horizons: Explorations of Feminist Interpretation Elisabeth Schussler Fiorenza

Changing Horizons is the second of two volumes highlighting the ways in which Elisabeth Schussler Fiorenza's work constructs a critical feminist theory and praxis of liberation, in relation to the biblical text and its legacy, and in relation to the theological and ecclesial setting of today.

Schussler Fiorenza attempts to free both biblical studies and theology from disciplinary constraints and assumptions that have allowed them to acquiesce and even perpetuate forms of oppression from racism and poverty to colonialism and gender equality.
