## **Heartwood: The First Generation of Theravada Buddhism in America (Morality and Society Series)**

Wendy Cadge

Theravada is one of the three main branches of Buddhism. In Asia it is practiced widely in Thailand, Laos, Burma, Sri Lanka, and Cambodia. This fascinating ethnography opens a window onto two communities of Theravada Buddhists in contemporary America: one outside Philadelphia that is composed largely of Thai immigrants and one outside Boston that consists mainly of white converts. Wendy Cadge first provides a historical overview of Theravada Buddhism and considers its specific origins here in the United States. She then brings her findings to bear on issues of personal identity, immigration, cultural assimilation, and the nature of religion in everyday life. Her work is the first systematic comparison of the ways in which immigrant and convert Buddhists understand, practice, and adapt the Buddhist tradition in America. The men and women whom Cadge meets and observes speak directly to us in this work, both in their personal testimonials and as they meditate, pray, and practice Buddhism. Creative and insightful, Heartwood will be of enormous value to sociologists of religion and anyone wishing to understand the rise of Buddhism in the Western world.

#### **John Harrison:**

As a university student exactly feel bored to reading. If their teacher expected them to go to the library or to make summary for some guide, they are complained. Just small students that has reading's spirit or real their pastime. They just do what the trainer want, like asked to go to the library. They go to at this time there but nothing reading significantly. Any students feel that examining is not important, boring and can't see colorful pics on there. Yeah, it is for being complicated. Book is very important for yourself. As we know that on this

period of time, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's country. Therefore this Heartwood: The First Generation of Theravada Buddhism in America (Morality and Society Series) can make you sense more interested to read.
