Imagine waking up one morning and moving around your home - only to discover that your physical body is still resting in bed. Imagine traveling to far away places and seeing fantastical things that defy explanation. This book details a journey of discovery - one that starts quite unexpectedly - towards the mystery of the unknown. Explore, first hand, the mystery of the Out of Body Experience (OBE) that science has all but turned its back on. This book is also for those who grow weary of 'new-age' prophets and their explanations and demand a more objective, level-headed approach to this phenomenon. For those who, like the author, had an experience and are searching for answers to the many questions they now face, this book offers down-to-earth guidance. For those who are curious about OBE's or want to know how to have one, they will find clear, but specific explanations as well as a precise look into an actual OBE. Take a voyage of discovery and unravel the mystery of the Out of Body Experience as we take a journey into the unknown.
