Angel Book Charles And F Hunter

Charles and Frances Hunter describe their own personal encounters with angels and what the Bible tells us about these messengers of God. They report on the different kinds of angels and their roles, how God's messengers can impact your life, and how to experience the presence of God. God uses angels to protect us, comfort and encourage, bring strength during trials, help us witness to others, wage spiritual warfare, communicate His will to us, and bring answers to prayer. The Bible records over one hundred appearances of angels to both men and women. Discover the many purposes of angels, both historically and in your daily life.
