Effective Java (2nd Edition) Joshua Bloch

Are you looking for a deeper understanding of the Java™ programming language so that you can write code that is clearer, more correct, more robust, and more reusable? Look no further! ***Effective Java™, Second Edition,*** *brings together seventy-eight indispensable programmer's rules of thumb: working, best-practice solutions for the programming challenges you encounter every day.*

This highly anticipated new edition of the classic, Jolt Award-winning work has been thoroughly updated to cover Java SE 5 and Java SE 6 features introduced since the first edition. Bloch explores new design patterns and language idioms, showing you how to make the most of features ranging from generics to enums, annotations to autoboxing.

Each chapter in the book consists of several "items" presented in the form of a short, standalone essay that provides specific advice, insight into Java platform subtleties, and outstanding code examples. The comprehensive descriptions and explanations for each item illuminate what to do, what not to do, and why.

Highlights include:

- New coverage of generics, enums, annotations, autoboxing, the for-each loop, varargs, concurrency utilities, and much more
- Updated techniques and best practices on classic topics, including objects, classes, libraries, methods, and serialization
- How to avoid the traps and pitfalls of commonly misunderstood subtleties of the language
- Focus on the language and its most fundamental libraries: java.lang, java.util, and, to a lesser extent, java.util.concurrent and java.io

Simply put, *Effective Java™, Second Edition,* **presents the most practical, authoritative guidelines available for writing efficient, well-designed programs.**

From reader reviews:

Annie Hendricks:

Do you have favorite book? If you have, what is your favorite's book? Reserve is very important thing for us to understand everything in the world. Each e-book has different aim or maybe goal; it means that reserve has different type. Some people feel enjoy to spend their the perfect time to read a book. They may be reading whatever they acquire because their hobby is usually reading a book. Why not the person who don't like reading a book? Sometime, individual feel need book if they found difficult problem or perhaps exercise. Well, probably you'll have this Effective Java (2nd Edition).

Peggy Hardman:

The e-book untitled Effective Java (2nd Edition) is the reserve that recommended to you to read. You can see the quality of the book content that will be shown to a person. The language that writer use to explained their ideas are easily to understand. The article writer was did a lot of research when write the book, therefore the information that they share for your requirements is absolutely accurate. You also will get the e-book of Effective Java (2nd Edition) from the publisher to make you far more enjoy free time.

Chris Gibbons:

Why? Because this Effective Java (2nd Edition) is an unordinary book that the inside of the e-book waiting for you to snap it but latter it will distress you with the secret the idea inside. Reading this book alongside it was fantastic author who write the book in such remarkable way makes the content inside easier to understand, entertaining means but still convey the meaning entirely. So , it is good for you for not hesitating having this any longer or you going to regret it. This book will give you a lot of advantages than the other book get such as help improving your skill and your critical thinking approach. So , still want to delay having that book? If I were you I will go to the publication store hurriedly.

Eli Benton:

Is it you who having spare time after that spend it whole day by watching television programs or just lying down on the bed? Do you need something new? This Effective Java (2nd Edition) can be the respond to, oh how comes? A book you know. You are consequently out of date, spending your free time by reading in this completely new era is common not a nerd activity. So what these ebooks have than the others?
