## **Superstitions of the Sea: A Digest of Beliefs, Customs, and Mystery** Jim Clary

Combining captivating sketches by his brother, artist Ben Clary, and his own prized ghost ship portrayals, Jim Clary presents a compelling and riveting digest of beliefs, customs, and mystery in *Superstitions of the Sea*. Clary focuses on the vast array of strange, mythical, and often comical beliefs of mariners from ancient times to the present. Collecting the various topics for years, Clary found that maritime superstition was weaved throughout every fabric of his study. So interesting was the folklore that it often lured him far away from his subject search and held him spellbound for hours at a time. Clary offers a unique and encompassing classification of maritime superstitions, including anecdotes on: animals, burial, charms, demons, evil eyes, figureheads, ghost ships, hexes, icebergs, Jonahs, knots, launchings, myths, navigation, omens, people, romance, shipwrecks, triangles, the unexplained, Vikings, and weather phenomena. He combed through countless age-old volumes and interviewed today's sailors to bring to the reader incredible yarns and unbelievable recorded fact enshrouded in mystery.
