**The Case of the Counterfeit Eye (Perry Mason Series Book 6)** Erle Stanley Gardner  
Blind man's bluff...

Wealthy businessman Hartley Bassett has killed himself. There's a typewritten suicide note and three guns lying near his body. But for Perry Mason, that's evidence overkill. He knows there has been trouble in Bassett's life. His wife wants out, his stepson hates him, an embezzler can't pay him back - and there's the man with a glass eye who hired Perry Mason even before his glass eye went missing and was found in the hands of the deceased.

There are too many suspects and too many lies. But leave it to Mason, his resourceful secretary, Della Street, and clever detective Paul Drake to their wits about them and their wiles tucked away, as they piece together the missing parts of this fatal family puzzle.
