The Gripping Hand

Larry Niven, Jerry Pournelle

The Gripping Hand Larry Niven, Jerry Pournelle

Robert Heinlein called it "possibly the finest science fiction novel I have ever read." *The San Francisco Chronicle* declared that "as science fiction, *The Mote in God's Eye* is one of the most important novels ever published." Now Larry Niven and Jerry Pournelle, award winning authors of such bestsellers as *Footfall* and *The Legacy of Heorot*, return us to the Mote, and to the universe of Kevin Renner and Horace Bury, of Rod Blaine and Sally Fowler. There, 25 years have passed since humanity quarantined the mysterious aliens known as Moties within the confines of their own solar system. They have spent a quarter century analyzing and agonizing over the deadly threat posed by the only aliens mankind has ever encountered-- a race divided into distinct biological forms, each serving a different function. Master, Mediator, Engineer. Warrior. Each supremely adapted to its task, yet doomed by millions of years of evolution to an inescapable fate. For the Moties must breed-- or die. And now the fragile wall separating them and the galaxy beyond is beginning to crumble.

Michael Banks:

The Gripping Hand can be one of your basic books that are good idea. Many of us recommend that straight away because this e-book has good vocabulary which could increase your knowledge in words, easy to understand, bit entertaining but nevertheless delivering the information. The article writer giving his/her effort that will put every word into delight arrangement in writing *The Gripping Hand* however doesn't forget the main stage, giving the reader the hottest as well as based confirm resource facts that maybe you can be one among it. This great information could drawn you into completely new stage of crucial pondering.

Thomas Evans:

As a scholar exactly feel bored in order to reading. If their teacher questioned them to go to the library or even make summary for some book, they are complained. Just very little students that has reading's soul or real their interest. They just do what the professor want, like asked to go to the library. They go to generally there but nothing reading seriously. Any students feel that looking at is not important, boring along with can't see colorful pictures on there. Yeah, it is to become complicated. Book is very important for you. As we know that on this period of time, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. Therefore , this *The Gripping Hand* can make you feel more interested to read.
