Frontier Gambling: The Games, The Gamblers, and the Great Gambling Halls of the Old West is an entertaining look at one of the integral facets of the American West - gambling. Rich in detail and jargon, yet written in an easy to understand style, the book tells how the games were played, legitimately and otherwise; it provides sketches of some of the infamous gamblers and con men of the era; and it covers the notorious saloons and gambling houses where fortunes were wagered night and day in the untamed West.
