## Out of Control (Library Edition) (The Kincaid Brides) Mary Connealy

Rafe Kincaid controls everything in his life... until he meets Julia. Julia Gilliland has always been interested in the natural world around her. She particularly enjoys studying the fossils and formations in the magnificent cave near her father's house. The cave seems plenty safe—until the day a mysterious intruder steals the rope she uses to climb out. Rafe Kincaid is a man used to being in control—of himself, his brothers, and his family's ranch. The last thing he expects is to find a woman trapped in the cavern on his land—or to be forced to kiss her! Rafe is more intrigued by Julia than any woman he's ever known. But when their developing relationship threatens a reconciliation with his brothers, will Rafe have to choose between his family and this new love that could heal his troubled heart and secure his happiness?
