## One Bride for Seven Brothers (Mail Order Mischief Book 1) Anne Glynn One Bride for Seven Brothers

In 1870, proper society looked down on mail-order brides. So did Flora, until she discovers her fiance has advertised her availability to thousands of lonely men.

Now, she finds herself on the S.S. Philadelphia, sailing toward the distant, dangerous Northwest and betrothed to a man she's never met -- with still others waiting for her hand....

\*\*This 74-page novella is not a sweet, inspirational or Christian romance. *If you're wanting a traditional romance, this is not the story for you!* 'One Bride' contains adult situations and some adult language and is recommended for mature readers only. Although this is meant to be a light and entertaining read, I've done my best to ensure that the story is historically accurate to its time and situation.\*\*
