Lawrence R. Broer

## **Sanity Plea: Schizophrenia in the Novels of Kurt Vonnegut** Lawrence R. Broer

In this revised edition of a volume originally published in 1989, Lawrence Broer extends his comprehensive critique of the body of writing by Kurt Vonnegut. Broer offers a broad psychoanalytic study of Vonnegut's works from *Player Piano* to *Hocus Pocus*, taking a decisively new approach to the work of one of America's most important, yet often misinterpreted writers. A compelling and original analysis, *Sanity Plea*, explores how Vonnegut incorporates his personal experiences into an art that is not defeatist, but rather creatively therapeutic and life-affirming.
