\*\*Note: This is a re-release. The title, publisher and some content have changed. Former title "Diamond's Seduction."

Former supermodel Diamond Shaw returns home to find herself in a heated exchange with a tall, well-built, and blue-eyed man she's crushed on for a long time: Rafe "Rafe" Carmichael. Talk about sexy; able to make her body sizzle with one look, she finds herself on a road trip with the infuriating, sexy man. ?

Rafe has been keeping tabs on Diamond Shaw since she left her family's investigation business to step out on her own. Beautiful women come and go in his business, but sinfully sexy Diamond caught his eye long ago. Giving her time to establish herself in her business, he's waited for what seemed like forever to make her his. When Rafe learns by accident that Diamond is planning to take a road trip with another man...well, let's just say the only man Diamond will be riding with is him.
