**A Matter of Honor: A New Adult Military Romance** Alana Hart, Shannon Macallan  
Sometimes, the things that we most need to leave behind are the hardest things to let go...

Half a lifetime ago in 1994, I met the rakishly handsome and ambitious son of a United States Senator. He was a senior cadet at The Armory, the South Carolina Military Academy.

Today, my husband is a decorated fighter pilot soon to be commanding his own squadron and our oldest son follows in his footsteps. He's a cadet now, too.

Returning to Charleston and The Armory after all these years brings back so many memories. While my husband reunites with his classmates and reminisces about the good and bad times they shared, my heart travels back in time, as well.

We built a life out of the flaming wreckage of betrayal, and it started right here, twenty-one years ago.

The foundations have stood but my world is still haunted.

I wouldn't change a single thing about my life or my family today, but even after all these years I am still not at peace with how it all began.
