## **An Introduction to Management** Trevor Clinger

The formation of an organization implies that a leader should take the role to control activities within this group; the work done by the leader of an organization is what the business world understands as management. In this paper, I will introduce to you the basics of management through topics such as organizations and the definition of management; the study of management, and the importance of studying for management. I hold a Bachelor's Degree of Business Management, a well as an Associates Degree of Management Technology.
