Laudato Si -- On Care for Our Common Home Pope Francis

In the heart of this world, the Lord of life, who loves us so much, is always present. He does not abandon us, he does not leave us alone, for he has united himself definitively to our earth, and his love constantly impels us to find new ways forward. Praise be to him! Pope Francis, *Laudato Si*

In his second encyclical, ***Laudato Si : On Care of Our Common Home***, Pope Francis draws all Christians into a dialogue with every person on the planet about our common home. We as human beings are united by the concern for our planet, and every living thing that dwells on it, especially the poorest and most vulnerable. Pope Francis letter joins the body of the Church's social and moral teaching, draws on the best scientific research, providing the foundation for the ethical and spiritual itinerary that follows. ***Laudato Si* outlines:**

- The current state of our common home
- The Gospel message as seen through creation
- The human causes of the ecological crisis
- Ecology and the common good
- Pope Francis' call to action for each of us

Our Sunday Visitor has included discussion questions, making it perfect for individual or group study, leading all Catholics and Christians into a deeper understanding of the importance of this teaching.
