#### **Maria Couch:**

As a pupil exactly feel bored in order to reading. If their teacher questioned them to go to the library or to make summary for some book, they are complained. Just small students that has reading's heart or real their pastime. They just do what the educator want, like asked to the library. They go to at this time there but nothing reading very seriously. Any students feel that looking at is not important, boring and also can't see colorful images on there. Yeah, it is being complicated. Book is very important in your case. As we know that on this era, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country. So , this Malliavin Calculus for Lévy Processes with Applications to Finance (Universitext) can make you

sense more interested to read.
