That little voice in your head ... your conscience. We all hear it, in our own ways. It's been portrayed as an angel in one ear and a devil in the other, but it's really all in your head. Isn't it? Ariel Parisi leads a carefree, charmed life...until a random act of charity reveals those angels and devils and sends him in search of hope. SOUL AFFLICTED is a godless man's journey, following the voices in his head and signs from God, seeking the angel who'll save him from the sins afflicting him. But is Ariel afflicted, or has he lost his grip on reality as his charmed life falls to pieces? This book explores spirituality through fiction, traveling from Colorado through the deserts of the American Southwest, to L.A. and on to Hawaii. It weaves basic tenets of western religions and Buddhism with elements of mystery and the paranormal. It doesn't preach or espouse any religion, only one man's questions about faith.
