The First Epistle to Corinthians (Black's New Testament Commentary)

C. K. Barrett

The First Epistle to Corinthians (Black's New Testament Commentary) C. K. Barrett

Since its appearance nearly 35 years ago, Black's New Testament Commentary Series has been hailed by both scholars and pastors for its insightful interpretations and reliable commentary. Each book in the series includes: an insightful introduction to the important historical, literary, and theological issues; key terms and phrases from the translation highlighted in the commentary where they are discussed; explanations of special Greek or foreign terms; references to important primary and secondary literature; and a Scripture index.

Perhaps more than any other Pauline letter, 1 Corinthians is known for affording insight into the nature and world of the earliest Christian communities. Whether it concerns Corinthian disputes over "wisdom," debates over "speaking in tongues," or questions about "resurrection," 1 Corinthians shows us the early church "warts and all." And that is what makes it such exciting—and relevant—reading today! Eminent New Testament scholar C. K. Barrett makes the text come alive both in its original setting and in the life of the church today. Barrett's arguments will challenge even the most seasoned scholars to rethink their interpretation of the many controversial passages.
