The Problem of Evil: The Gifford Lectures Delivered in the University of St. Andrews in 2003 Peter van Inwagen

The vast amount of suffering in the world is often held as a particularly powerful reason to deny that God exists. Now, one of the world's most distinguished philosophers of religion presents his own position on the problem of evil. Highly accessible and sensitively argued, Peter van Inwagen's book argues that such reasoning does not hold: his conclusion is not that God exists, but that suffering cannot be shown to prove that He does not.
