The Sackett Companion Louis L'Amour

Little did Louis L'Amour realize back in 1960 when he published **The Daybreakers**, a novel about two brothers who came west after the Civil War, that he had begun creating what would become perhaps North America's most widely followed literary family: the Sacketts. The stories of ten generations of Sackett men and women as they forged westward from tyranny-wracked seventeenth-century England across the American continent have captivated readers for three decades through seventeen novels with nearly forty millions copies in print. The traditions and adventures of this family of rugged individualists who stand indomitably united when any Sackett is in trouble have inspired country songs, a popular television miniseries starring Tom Selleck (as Orrin Sackett) and Sam Elliot (as Tell Sackett), thousands of reader queries—and now, a rare full-length work of non-fiction by the worlds' all-time best-selling frontier novelist.

In a *60 Minutes* profile in which he hailed Louis L'Amour as "our professor emeritus of how the West was won," correspondent Morley Safer observed that "his plots may be fiction but the details therein are fact."

The Sackett Companion is the author's long-savored opportunity to present the research and probe the factors behind his Sackett fiction—novel by novel—and to elaborate on their real and fictional characters, their geography and locales, and their historical eras in encyclopedia-like detail.

In this book, subtitled **A Personal Guide To The Sackett Novels**, L'Amour takes us on a guided tour of his imagination to introduce us to the never-before-told sources and inspirations for these stories and the people and places that populate them. He retraces some of his travels in which he has walked the land the Sacketts walk, reliving such personal memories as the street fight he had on a hot dusty morning in New Mexico that ultimately led to the birth of the Sacketts.

From reader reviews:

Myrtle Galloway:

Does one one of the book lovers? If yes, do you ever feeling doubt while you are in the book store? Try to pick one book that you just dont know the inside because don't judge book by its cover may doesn't work here is difficult job because you are afraid that the inside maybe not seeing that fantastic as in the outside look likes. Maybe you answer can be The Sackett Companion why because the excellent cover that make you consider in regards to the content will not disappoint you actually. The inside or content is definitely fantastic as the outside or even cover. Your reading sixth sense will directly guide you to pick up this book.

Cindi Russell:

Are you kind of occupied person, only have 10 or perhaps 15 minute in your time to upgrading your mind talent or thinking skill even analytical thinking? Then you are experiencing problem with the book as compared to can satisfy your short time to read it because this all time you only find reserve that need more time to be study. The Sackett Companion can be your answer because it can be read by you who have those short free time problems.

Travis Berry:

Do you like reading a guide? Confuse to looking for your favorite book? Or your book has been rare? Why so many problem for the book? But any kind of people feel that they enjoy for reading. Some people likes looking at, not only science book but also novel and The Sackett Companion or maybe others sources were given know-how for you. After you know how the fantastic a book, you feel desire to read more and more. Science reserve was created for teacher or perhaps students especially. Those publications are helping them to put their knowledge. In some other case, beside science guide, any other book likes The Sackett Companion to make your spare time more colorful. Many types of book like here.

Ann Goddard:

As a student exactly feel bored in order to reading. If their teacher requested them to go to the library or to make summary for some book, they are complained. Just tiny students that has reading's heart or real their leisure activity. They just do what the teacher want, like asked to go to the library. They go to presently there but nothing reading critically. Any students feel that looking at is not important, boring and can't see colorful images on there. Yeah, it is to be complicated. Book is very important to suit your needs. As we know that on this time, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's country. Therefore , this The Sackett Companion can make you truly feel more interested to read.
