It's been ten years since Cole Jordan was run out of Canyon Bend, ten years he spent accumulating a vast fortune. Now he's back with only one goal in mind. To win the woman he left behind, the woman he never forgot. This time, not even her wealthy, overprotective uncle will stop him. Because everything he's done, he's done for love of Charley. After Cole made passionate love to her one night, he vanished without a word, so Charley doesn't trust him worth a damn when he reappears. Especially when she discovers it's his company that bought half of her business, the Red Dog Saloon. But Cole has big plans for the town that once shunned him, and as Charley finds herself working with him daily, the love she's tried so hard to suppress blooms again. Only one thing stands in their way; Cole's refusal to tell her why he left so abruptly. While they fight their way back to each other, outside influences work to keep them apart at any cost...even death.
