Bart D. Ehrman, the *New York Times* bestselling author of *Jesus, Interrupted* and *God's Problem* reveals which books in the Bible's New Testament were not passed down by Jesus's disciples, but were instead forged by other hands—and why this centuries-hidden scandal is far more significant than many scholars are willing to admit. A controversial work of historical reporting in the tradition of Elaine Pagels, Marcus Borg, and John Dominic Crossan, Ehrman's *Forged* delivers a stunning explication of one of the most substantial—yet least discussed—problems confronting the world of biblical scholarship.
