Paper Sky: What Happened After Anne Frank's Diary Ended Beth Jacobs

Anne Frank's diary ended on August 1, 1944, but her life continued for seven more months. In this meticulously researched portrayal of those months, the end of Anne Frank's life story is imagined through her eyes. From the "secret annex," the family journeys to Westerbork Transit Camp and then is on the last train from Westerbork to Auschwitz, before they are separated. Anne and her sister, Margot, end up at Bergen-Belsen, where they barely lose the race against time and die shortly before the end of the war. Read and accompany the real person through this sad, short journey.
