A fast-paced, sexy, thriller for those who loved Fifty Shades Of Grey. This is not another reiteration of the same tired plot line, but a truly unique and original story.

Jillian Price was once an ultra-successful real estate professional who has fallen on hard times in her career and was left to raise a child on her own. Approaching her thirtieth birthday she is prematurely feeling old and longs for the exhilaration of a new relationship. After endless disappointments, she decided to go out incognito hoping for a change of luck. She's using the name Raven and out of desperation her mind is open to new ideas.

Gunner is not the type of guy you find through an online dating site. His model good looks and incredible sexual skills have earned him a spot as one of the Pleasure Pros at a kinky little club on the outskirts of the city. Fortunately for him, Raven is just desperate enough to take the bait that has been laid out before her. Once she responds to the invitation, all Gunner has to do is reel her in.

Instant attraction leads to incredible chemistry as he takes her through ever more challenging levels of Bondage, Discipline, Humiliation and Extreme Gratification.

The only problem? It's all a trap and unfortunately Raven doesn't find out until it's too late. She's forced to dig deep and find the strength from her younger days in order to make it through all ten levels and preserve what's left of her once high-profile public image.
