Seket Aanru is a multi-player web game based on the story of a drug dealer turned NSA agent. Your role is to perform actions to help Seket complete his “objectives” for the NSA. There appears to be over 1 million players worldwide. There are at least 10,000 members on the membership site. <http://seket.us>

The game is fully interactive. You can communicate with Seket directly or as a group either through messaging or video chat. You can also communicate with other players in the game if they wish to talk to you. Basic clues are located on the site as well as all over the web but clues are not limited to the internet because the objectives are in the real world.

You are encouraged to use every tool at your disposal to solve clues online or offline. We will not give you a step by step guide to solve the clues because the nature of the game is to investigate and come to your own conclusions about the clues. Visit <http://seket.us/subscription0.html> A \$30 value for \$7.95
