Larry Gonick

**The Cartoon Guide to Calculus (Cartoon Guide Series)** Larry Gonick

“In Gonick’s work, clever design and illustration make complicated ideas or insights strikingly clear.”  
—*New York Times Book Review*

Larry Gonick, master cartoonist, former Harvard instructor, and creator of the *New York Times* bestselling, Harvey Award-winning Cartoon Guide series now does for calculus what he previously did for science and history: making a complex subject comprehensible, fascinating, and fun through witty text and light-hearted graphics. Gonick’s *The Cartoon Guide to Calculus* is a refreshingly humorous, remarkably thorough guide to general calculus that, like his earlier *Cartoon Guide to Physics* and *Cartoon History of the Modern World*, will prove a boon to students, educators, and eager learners everywhere.
