Asbestos Bankruptcy Trusts: An Overview of Trust Structure and Activity with Detailed Reports on the Largest Trusts Lloyd Dixon, Geoffrey McGovern, Amy Coombe

This report describes the creation, organization, and operation of asbestos personal-injury trusts and compiles publicly available information on the assets, outlays, and governing boards of the 26 largest trusts. The authors find that the publicly available information provides a rich source of information on trust activity but that more detailed information is needed to determine their impact on important compensation outcomes.
