This biography of French liberator Marquis de Lafayette (1757-1834) reveals not only how the nineteen-year-old bravely ventured to the infant United States to serve in its War of Independence, but also the iconoclast's enormous contribution to the causes of social and economic justice in France, Italy, Spain, Greece, and Poland. The Marquise (1759-1807), born Adrienne de Noailles, shared the same controversial beliefs as her husband, supporting and defending him wholeheartedly despite ongoing political persecution—including the Marquis's exile in an Austrian dungeon and her own imprisonment (and near-execution) by French radicals. Employing a sweeping, classical feel, and visiting landscapes including the magnificent court at Versailles, the brutal hardship of Valley Forge, and the momentous storming of the Bastille, Lane chronicles and celebrates the couple's passionate yet tumultuous relationship while documenting the birth of America, two French Revolutions, and the Napoleonic era.
