Life in a Medieval City (Medieval Life)

Joseph Gies, Frances Gies

Life in a Medieval City (Medieval Life) Joseph Gies, Frances Gies

From acclaimed historians Frances and Joseph Gies comes the reissue of their classic book on day-to-day life in medieval cities, which was a source for George R.R. Martin's *Game of Thrones* series.

Evoking every aspect of city life in the Middle Ages, *Life in a Medieval City* depicts in detail what it was like to live in a prosperous city of Northwest Europe in the twelfth and thirteenth centuries. The year is 1250 CE and the city is Troyes, capital of the county of Champagne and site of two of the cycle Champagne Fairs—the “Hot Fair” in August and the “Cold Fair” in December. European civilization has emerged from the Dark Ages and is in the midst of a commercial revolution. Merchants and money men from all over Europe gather at Troyes to buy, sell, borrow, and lend, creating a bustling market center typical of the feudal era. As the Gieses take us through the day-to-day life of burghers, we learn the customs and habits of lords and serfs, how financial transactions were conducted, how medieval cities were governed, and what life was really like for a wide range of people.

For serious students of the medieval era and anyone wishing to learn more about this fascinating period, *Life in a Medieval City* remains a timeless work of popular medieval scholarship.
