Product Manufacturing and Cost Estimating using CAD/CAE: The Computer Aided Engineering Design Series Kuang-Hua Chang

This is the second part of a four part series that covers discussion of computer design tools throughout the design process. Through this book, the reader will...

- ...understand basic design principles and all digital design paradigms.
 - ...understand CAD/CAE/CAM tools available for various design related tasks.
 - ...understand how to put an integrated system together to conduct All Digital Design (ADD).
 - ...understand industrial practices in employing ADD and tools for product development.
-
- Provides a comprehensive and thorough coverage of essential elements for product manufacturing and cost estimating using the computer aided engineering paradigmCovers CAD/CAE in virtual manufacturing, tool path generation, rapid prototyping, and cost estimating; each chapter includes both analytical methods and computer-aided design methods, reflecting the use of modern computational tools in engineering design and practiceA case study and tutorial example at the end of each chapter provides hands-on practice in implementing off-the-shelf computer design toolsProvides two projects at the end of the book showing the use of Pro/ENGINEER® and SolidWorks® to implement concepts discussed in the book

The authors these days always try to improve their expertise in writing, they also doing some analysis before they write to the book. One of them is this Product Manufacturing and Cost Estimating using CAD/CAE: The Computer Aided Engineering Design Series.

Jennifer Shipley:

Reading a book to be new life style in this season; every people loves to read a book. When you go through a book you can get a lot of benefit. When you read guides, you can improve your knowledge, mainly because book has a lot of information on it. The information that you will get depend on what sorts of book that you have read. If you wish to get information about your study, you can read education books, but if you want to entertain yourself you can read a fiction books, these kinds of us novel, comics, and also soon. The Product Manufacturing and Cost Estimating using CAD/CAE: The Computer Aided Engineering Design Series will give you a new experience in looking at a book.

Kathy Fredette:

You may spend your free time you just read this book this book. This Product Manufacturing and Cost Estimating using CAD/CAE: The Computer Aided Engineering Design Series is simple to bring you can read it in the park, in the beach, train as well as soon. If you did not possess much space to bring often the printed book, you can buy the actual e-book. It is make you much easier to read it. You can save often the book in your smart phone. Therefore there are a lot of benefits that you will get when one buys this book.
