Sovereign Spirit Saga: Volume One David Forsyth

The "Sovereign Spirit Saga: Volume One" is a 300,000 word trilogy edition that includes *Voyage of the Dead*, *Flotilla of the Dead* and *Deluge of the Dead* in a single eBook. All three books are newly edited and revised. This trilogy offers a discount from buying the individual titles.

This acclaimed series chronicles the adventures of survivors aboard a ship sailing through a world overcome by the zombie apocalypse. The books have been likened to a *Star Trek* of the *Zombie Apocalypse*, or *Battlestar Galactica* -vs- *The Walking Dead*. This action packed adventure series brings a new approach to the zombie genre. Instead of being trapped in a farmhouse, or shopping mall, these survivors are in the best position the author could put them. These characters have plenty of options to choose from. The story is about the choices they make, the challenges they face, and the responsibilities they assume in the face of the apocalypse. Not for the faint of heart! These books are filled with blood, guts, bullets, expensive toys, and the survival instincts that pump adrenaline. Nevertheless, the story is more about using your brains than eating them. Welcome aboard and bon voyage!

Rave Reviews for *Voyage of the Dead*:

"...Without a doubt one of the better Zombie books..." -- Anthony Wessel, reviewer at The Kindle Book Review and founder of DigitalBookToday.com

"What a truly entertaining read. I started reading on Friday morning and couldn't put the book down until I finished. Not just your everyday, run-of-the-mill, ho-hum story of the apocalypse." -- Paul Jones, author of "Extinction Point" and "Towards Yesterday"

"Gorey, pulpy, zombie fun! Basically it's the A-Team meets *Battlestar Galactica* meets *The Walking Dead*. If this were a show I'd watch it." -- Nathan Yocum, author of "The Zona"

"This is one of those books that starts with a bang and I read waiting for the pace to slacken, except it doesn't. Too often, books of this kind start out with an action scene, and then we get chapters of backfill and descriptions of the soap opera-like travails of our characters. While Forsyth indeed fills in the characterizations, the key quality of this book is that most valuable in any kind of thriller--PACING." John S.

Sample Reviews for *Flotilla of the Dead*:

"I had very high expectations of the second installment after reading the first book, but I have to say that it went far beyond my expectations. It was a FANTASTIC read!! I had a lot of instances where I felt my heart about to burst from excitement, anger, and happiness for the characters. The writing was even better than the first book..." Faye M

"...I have recommended this over and over again to friends, who love zombies as much as I do. It's also gotten to the point where I'm having badass zombie dreams after reading at night, and I love it when a good book isn't ready to let go of my mind even when I have finished reading it. These are books I will revisit over and over again." HLizAnn

Reviews from Deluge of the Dead:

"I read this book constantly, not wanting to put it down, and now I'm done. It's fantastic! I laughed, cried, yelled and even wanted to reach through my Kindle and shoot some people myself." Amazonian

"THE BEST TRILOGY OF ZOMBIE BOOKS I HAVE EVER READ. GREAT STORY AND CHARACTERS, MAKES YOU FEEL YOU ARE THERE. CAN'T WAIT FOR THE NEXT ONE. BUY ALL THREE AND READ BACK TO BACK FOR THE BEST ZOMBIE FEST EVER. WOULD MAKE A SAVAGE TV SERIES OR FILM. A MUST BUY." Mark from Surbiton (UK)

This series of books has garnered hundreds of reviews/rating on Amazon and Goodreads with a solid 4 Star collective average. Dive in and enjoy the ride.
