The Renewal of Trinitarian Theology: Themes, Patterns & Explorations Roderick T. Leupp

Everyone seems to be talking about trinitarian theology these days--theologians, pastors and theologically smart laypeople. If you have felt like an outsider to these conversations, or just wondered why trinitarian theology has generated so much talk, this book is for you. Roderick Leupp describes the renewal of trinitarian theology in recent decades and introduces us to the trinitarian thought of theologians such as Karl Rahner, Karl Barth, Jürgen Moltmann, John Zizioulas, Robert Jenson and Catherine LaCugna. Leupp shows us how *trinitarian* is an adjective for the very grammar of the Christian faith. And he helps us see how our thinking about the Godhead, the cross, the church, ethics and spirituality can be transformed by trinitarian theology. Writing in a style that is always reflective, often poetic and sometimes deeply personal, Leupp puts theology in conversation with life, making connections we might otherwise miss. And piercingly, he weaves into his reflections on the triune God his own experience of the traumatic injury of his daughter. This is a book that will expand your understanding of the triune God who is Father, Son and Spirit.
